ONLINE BOARD GAME PLATFORMS

These platforms house multiple games all together. You need to sign up and create an account to play, this generally isn't much of an obstacle to overcome.

Board Game Arena

This website has 175 different board games. The games are well set up and simple to follow. Very good site! Some games include:

Saboteur

- Galaxy Trucker
- Game of life Labyrinth: W.O.T. Terraforming Mars
- **S** Tabletop Simulator

Monopoly Plus

Costs around \$30. Can create and play various board games and RPG's. Much like Tabletopia it provides a simulator for you to interact with the pieces. It has a harder learning curve than Tabletopia with regards to understanding the functionality. Hundreds of different games available. Can play some games with friends online or locally on the same computer.
